

TEMPO

LIVING

your home. your life.

Tempo's Top 5

Reasons to build with us

Join us at the forefront of home building innovation, where our streamlined systems and cutting-edge designs allow you to move into your new home sooner and save money, without compromising on quality or style. Our honest and open approach, timeframe guarantees, and upfront certainty pricing mean you can relax as we build your new home.

TRUE DISPLAYS

True displays

Our displays truly are “what you see is what you get”, and what you get is so good. All your available options are in every display home for you to experience upfront before you sign anything.

express lane

Express lane

10-day tender. 10-week site start. Guaranteed build-time. With our streamlined systems and cutting-edge designs, you can move into your new home sooner and save over $60,000!*

MORE must-haves

More must-haves

We include more of the “must-have” items you want as standard. From flyscreens to flooring, driveway to ducted air-conditioning, and much more, are yours without the extra costs of upgrades later.

price PROMISE

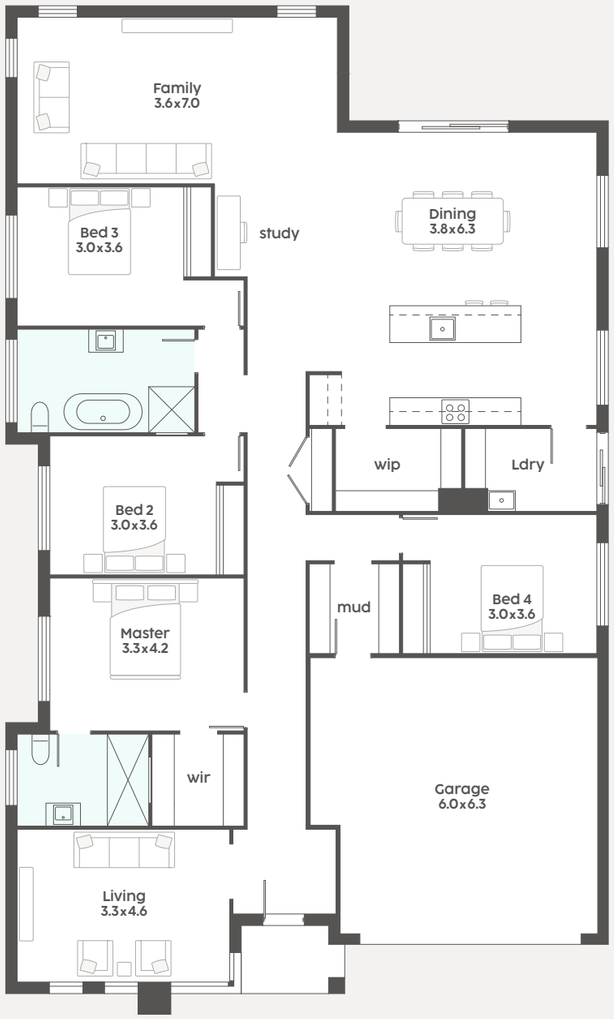

Price promise

Enjoy the certainty of our upfront pricing. Rest assured that your tender price is the final price of your new home including everything from site costs to 7 Star Basix to finishes, with no surprises.

OPTIMAL DESIGNS

Optimal designs

Build the home you really want without compromise, with our award-winning designs created from the ground up to optimise even the smallest lots, whilst maximising natural light and open space.
